day of a most daring robbery that took place about 11 o'clock on Tuesday night, at YOUNG & MORRELL, Proprietors. corner of Line and Cherry streets in a city. A hackman in the employ of Mr. C. B. Nichols & Co., of Broad street have on hand 500 new White Blankets, which David Henderson who was returning home, claims that he was halted by a squad of six of the putrols, taken from the seat of his hack, searched, and the sum of twenty nine lolars taken from him, and eight from a soy who was raling with him.

We have many complaints of this kind, and if we are not with the same of the s they are offering chesp. nov 1-3t We would call the attention of our readers to the advertisement of Dr. Fouche, Der tal Surgeon. He is one of the most skillfo operators in this country, and is an inval and if we are not mistaken, those who have he good mame of this regiment in their coming should take immediate steps to find uable acquisition to the profession in Nush

the guilty ones, and have them properly punished. The Provost Marshal, as yet, has not been able to discover the thieres. THE WONDER OF THE AGE,-We recently has a human head and features, while the ly prominent and well defined. To what class or order of conformation does this won-der belong? With our limited knowledge of animal monstrosities, we are totally unable t assign it a connective place with any known phenomena of nature. It belongs to none of the tribes or families enumerated and discussed by the historians of terafology, but seems to be the actual representa-tive of that species of deformity which had only a inbulous existence in and prior to the seventeenth century. In thuse days of su-perstition, the Minotaur, the centaurs, sa-

say it will it will be a state of the same the unity of man and beast) does exist in Discussors.—Philip Mayer, charged with shooting at Joseph Melang with intent to kill, was released by the Recorder after a patient examination by him. These parties were partners, and the difficulty store in the world. This great phenomenal curies were partners, and the difficulty store. the were partners, and the difficulty grew risalty is in the possession of Dr. L. L. Core out of a division of the concern, which man, a prominent physicism of Nashville As a mon of superior attainments in the sciences of anatomy and embryology, he treats it as the veritable wonder of the times.

rant, charged with receiving storm goods, occupied the sitention of the Becorder's Court about two hours yesterday. Lengthy speeches were made pro and con, and the accused was held to answer at the criminal court under bond of \$1000. Bail was far hished. The above mentioned "monatrority" already done so.

> The Confederate lean agents used a w nown "medium" in London to gain sub-ribers. She is described as a dashing fa e large in the event of her success.

The Grand Complimentary Pestival in bonor of the Order of Odd Fellows, of this State, takes place to night at the Masonic The election of Wade Hampton, former General in the rebel army, to be Governor f South Carolins, is a singular but not sur-rising manifestation of Southern feeling. war. Wade Hampton went into secasion from love and fought to the end. He deserves the justice of saying that he did not seek the office; but, on the centrary declined it. South Carolina measures her favorites by no other record than the very war which words her accessed. One Fellows.-A large delegation of this relar, from Louisville, is expected here by which made her & conquest. Wade Hamp ion, politically, is one of the worst men of the South-personally, one of the best. We should have preferred Orr, but, at the same me, hope much from the kindness and dis

ity of Hampton's nature.—New Fork Tr The Washington Chronicle seys that the commissioner of Internal Revenue has ruled that when a person neglects to pay the in-come duty, after demand (section tenth) the amount due becomes a lien from the prescribes that the tax shall be lovied or the first day of May, and be due and paya ble on or before the 30th day of June. Or these terms of the law it can only be pred

une, so that the lien attaches on that day WENDELL PRILLIPS .- The Chicago Tribu Epresses its views of publicanen in the fol-owing elaborate simile: "If President ohnson is at the brakes and Sumner is at ionneon is a the praces and Somer is a the driving-wheel of the train of progress Wende'l Phillips performs the double func-ion of the Drummand light, sand the cou-stcher. We judge him to be more effec-ive, however, in knocking cattle off the track than in casting a strong light for

ward into the darkness. It is a necessary consequence of his position and functions that he should occasionally hit some perfeetly respectable gentleman, and leave only an interesting family of wislow an nly an interesting family of wislow and rphans to moura his untimely loss.

THE SILE MARKET IN FRANCE.—The Paris correspondent of the London Titless writes that the general opinion at the Lyona silk market is in favor of lower prices, and nothing will change it but orders from America. Fears, however, are entertained that hopes of finding a market in that quarter are illusory, at least for this year. The high price of the raw material induces manufacturers to confine themselves to the production of to confine themselves to the production of very fine silks, of which the price is remark-ably low. The purchase of raw silk is con-fined to single bales, according as their stock is exhausted, but no large sales are af-fected, nor at long credits.
